Description

2015 Stingray 188 LE

A cherished example of this 2015 Stingray 188 LE OTIUM is now available for sale through Blue Lagoon Marine.

OTIUM is now on her second careful owner and has been very well maintained since her launch in 2015.

OTIUM is powered by a frugal yet powerful Mercruiser 3L inboard petrol engine coupled with an Alpha One sterndrive. For a sub 20ft boat, ample space can be found onboard including a socialble cockpit area which features a bench seat and aft sunpad. Moving forward, a handy deck storage locker can be found on the way to the bow. At the bow, OTIUM features some more social seating and access to a ice chest.

OTIUM comes with a single axle Indespension roller trailer, making for the perfect 'tow away' package for the upcoming season.

Please contact Blue Lagoon Marine to arrange a viewing or discuss OTIUM in more detail.

Manufacturer Provided Description

Don't be fooled by its moniker. While pegged an 18-foot model as a 188LE, this boat measures just under 19 feet at 18' 11". Inspired by our sport deck models, the 188LE sport boat features a side-entry walkway, making it easy for children, canine boaters, and other passengers to make their way aboard. Go ahead—crank it up and take it out on the water. You'll find the 188LE to be quick and responsive, something you expect but may not always find in entry-level offerings. STINGRAY boats are known to be peppier and easier on fuel than competitor models. Combine that with our sleek styling and Euro-inspired interiors and you have a great boat that's sure to please, not to mention competitively priced to get you on the water.
