Manufacturer Provided Description

INTRODUCING THE 2020 RIB OF THE YEAR. THE BRIG EAGLE 8 COMBINES INCREDIBLE COMFORT, STYLE AND PERFORMANCE TO MAKE IT THE BEST FAMILY BOAT WE'VE EVER MADE.

Featuring an extended bow that converts effortlessly into a generous sundeck, a handy heads unit and with plenty of seating and storage, the Eagle 8 is designed for long days spent enjoying the open water.

A family cruiser with sleek, iconic profiling and a gorgeous design, the Eagle 8 offers maximum safety and stability thanks to its deep V hull, extended waterline length and extra wide ORCA Hypalon® tubes.

A leader in its class, this 8-metre luxury boat can comfortably carry up to 10 passengers, with larger under-seat lockers, removable dining tables and front and rear platforms that make getting on and off the boat easy, whether you're stepping on to dry land or diving into the big blue.

Replacing the classic BRIG Eagle 780, the new look Eagle 8 includes a heads unit with toilet and the option to include a freshwater shower for washing off after dips in the sea. A foldable ladder makes getting in and out of the water easy for both young and older passengers, while the iconic ski mast gives this family-friendly boat a stunning, contemporary look that's hard to beat.

Pair up with the highly-acclaimed Suzuki Marine DF350A four-stroke engine to experience phenomenal performance and acceleration up to 60mph. The Eagle 8's hydraulic steering system, built-in fuel tank and automatic bilge pumps allow you to enjoy a smooth, dry ride without the need for pit stops.

All new BRIG Eagle 8 boats include the peace of mind of a 10-year hull warranty, 5-year tube warranty, 5-year Suzuki engine warranty and a 1-year warranty on fixtures, fittings and accessories.
