## Description

### 2008 Regal 1900

Blue Lagoon Marine are delighted to present this Regal 1900 bowrider to market.

The Regal 1900 makes for the perfect dayboat this summer with ample seating throughout as well the extended swim platform.

Powered by a frugal yet powerful Mercruiser 3L inboard petrol engine, cost effective performance can be expected.

Priced very reasonably, this Regal does show some signs of cosmetic GRP which is reflected in the price. However, with a bit of love, this boat would make for the ideal summer toy sat on a trailer as a complete package.

For more information, please contact the team at Blue Lagoon Marine today.
