Manufacturer Provided Description

Designed to satisfy you whether you're behind the windshield or at the receiving end of the wakeboard rope, the AR230HO is an essential component of every family with a flair for water sports. Offering Twin High Output Yamaha Marine engines, instantaneous acceleration, decisive handling and brilliant maneuverability, this 23-foot boat was designed as much for the driver as it was for wakeboarders and skiers. Fully appointed with all the amenities you would expect from a Yamaha, its aluminum wakeboard tower offers both style and function and an innovative seating layout gives everyone onboard room to breathe. And the swim platform area is always prime real estate.
