More images coming soon - awaiting prep

This Jeanneau 755 WA is a very rare boat and not many of this model can be found. The Cap Camarat range continues to be an extremely popular model offering lots of family fun boating. This particular example is another great example of this and being over 7 meters in length she feels very spacious throughout. She has been well loved and upgraded over time by the current family who have owned the boat since 2007. The standout features

of this boat include:

Electric anchor windlass

Underwater lights

Good size cabin with separate heads

Double axel trailer included

Large bow sun bathing area
