Description

2016 Cornish Crabbers Shrimper 19

Blue Lagoon Marine are excited to bring this wonderful Shrimper 19 to the market

This particular boat is a stock boat, having recently been taken in as a part exchange, and has been kept in an amazing condition. Her stunning deep blue hull colour along with her classic lines create a lot of attention.

Her lifting keel allows you to access the shallowest of waters as well as the ability to beach her!

With a trailer included she really is an incredible package which needs to be seen.

Please contact the Blue Lagoon Marine team today for further information
