Description

2014 Windy 29 Coho

Blue Lagoon Marine are excited to bring this stunning Windy 29 Coho to the market.

"Windy builds boats like no other shipyard in the world. Classic speed boats that are both beautiful to behold and a joy to drive. Technically advanced sports cruisers that deliver class-leading performance and fuel economy. Safe, confidence inspiring offshore cruisers that put families at ease."

"With her pared-down, classic profile and extended rapier sharp deep v-hull she is lighter, stronger and more economical than the Ghibli. She is faster too, with a blistering top speed of over 45 knots."

This particular Windy 29 Coho has been very well cared for and has the beautiful white hull, giving her a very modern feel. Along with the expected specification the standout features on this particular boat include:

Engine and outdrive service, hull polish, anti-foul and clean in May 2025

Extra reinforced cockpit tonneau cover

Custom made bow sunpad cushions

Very good service history

She is ready immediately for viewings, please contact the team at Blue Lagoon Marine for further information.
