## Manufacturer Provided Description

Designed to satisfy you whether you're behind the windshield or at the receiving end of the wakeboard rope, the AR230HO is an essential component of every family with a flair for water sports. Offering Twin High Output Yamaha Marine engines, instantaneous acceleration, decisive handling and brilliant maneuverability, this 23-foot boat was designed as much for the driver as it was for wakeboarders and skiers. Fully appointed with all the amenities you would expect from a Yamaha, its aluminum wakeboard tower offers both style and function and an innovative seating layout gives everyone onboard room to breathe. And the swim platform area is always prime real estate.

## Miscellaneous

As a Broker, our understanding is that the vessel you are purchasing should have been built and correctly CE marked to satisfy the requirements of the Recreational Craft Regulations and there is no such proof provided by the vessel owner. You should satisfy yourself of any implications that may arise from purchasing the vessel.

You are advised to seek further advice should you see fit.

However, whilst the purchase is not illegal, you should be mindful that there could be implications for future saleability or value of the vessel.

## Disclaimer

**For a full, detailed specification with additional photographs and direct contact details for the listing office visit our website.**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Unless otherwise stated on the specification sheet the following presumptions are made

Sail drive and shaft seals are more than 5 years of age

Gas hoses and regulators are over 5 years old
