Description

2017 Cormate T24 Supermarine

Blue Lagoon Marine are delighted to bring to market this extremely well specified Cormate T24 Supermarine. This particular example has had a lot of money spent on upgrades in recent years. Designed and developed in Norway by Hydro Design AS since 1985, Cormate offer a bespoke built, classically styled range of high performance sports boat. This small but mighty cabin cruiser ticks so many boxes for only a 24 foot vessel. The stand out features of thi...
