Description

2022 Novurania LX 600

Blue Lagoon Marine are delighted to bring to market this very lightly used Novurania LX 600. This is a 3/4 year old Superyacht Tender which was \$237,000 USD (circa £180,000) when purchased new

While based on the proven offshore sea-keeping capabilities of the traditional Launch design, the refined design places the LX apart from her predecessors. Gone is the traditional and functional look of a ridged hard bottom inflatable, (RIB). The stylish wrap around aft seating with solid stainless steel supported backrest, modern console with instrument POD, and bow seating reflects the LX bold new look.

The standout features of this LX 600 include:

- Extreme 1900 roller trailer included
- Very low hours Yamaha 200HP outboard
- Large Garmin GPS/Plotter and VHF Radio
- Hard wearing teak effect flooring throughout
- Strengthened for towing

Please contact the team at Blue Lagoon Marine for more information
