## Description

### 2026 Parker 790 Explorer

Blue Lagoon Marine are excited to present this stunning Parker 790 Explorer.

Designed for boaters who value comfort without compromise, this advanced pilothouse cruiser blends intelligent innovation with proven seakeeping, delivering performance, comfort and practicality in one exceptional package.

At the heart of the 790 Explorer is a modern twin-step hull with a deeper V-profile that improves efficiency, reduces planing threshold, and enhances ride comfort and fuel economy — all while maintaining excellent stability and handling in variable conditions.

Whether you're exploring coastal waters, entertaining guests, or planning extended adventures, the Parker 790 Explorer delivers a compelling balance of performance, durability, and onboard comfort — built by a respected Polish boatbuilder with decades of heritage in rugged, sea-ready craft.

She has some amazing features onboard including:

- Premium Simrad pack
- Fusion stereo & speakers
- Bow thruster
- Deluxe upgrade, including step lights and galley upgrade

She is ready immediately, please contact the team at Blue Lagoon Marine for further information
