Description

2022 Cobra Ribs Nautique 8.7m

Blue Lagoon Marine are excited to bring this amazing Cobra 8.7 to the market.

The Cobra RIBs 8.7 is a superb blend of performance, luxury and offshore capability, offering the unmistakable build quality and sleek styling that Cobra RIBs are renowned for. Powered by twin Mercury 225HP outboards, this striking RIB delivers exhilarating performance, impressive handling and effortless cruising ability, making it equally at home as a family day boat, superyacht tender or long-distance adventure platform.

With its deep-V hull and premium construction, the Cobra 8.7 provides a smooth, confidence-inspiring ride even in challenging conditions, while the spacious deck layout offers excellent comfort and practicality throughout. The helm is modern and well laid out, complemented by high-quality upholstery, generous seating and ample onboard storage. Twin Mercury 225HP engines provide outstanding acceleration and reliability, with plenty of power for watersports, coastal cruising or entertaining guests in style.

Combining eye-catching looks with serious capability, this 2022 Cobra 8.7 represents an exceptional opportunity to acquire a highly desirable, high-performance RIB that is ready for the season ahead.

She has some great features onboard including:

- Twin Mercury 225hp outboard on low hours
- T-top with wakeboard racks
- Electric flush toilet
- Deck lights

She is ready immediately, please contact the team at Blue Lagoon Marine for more information
