Description

2024 Axopar 25 Cross Top

Blue Lagoon Marine are excited to present this stunning, low hour, highly specced Axopar 25.

Offering savings of over £30k when compared to new!

The Axopar 25 Cross Top is an outstanding example of one of the most desirable modern sports boats on the market today, combining striking Scandinavian styling with exceptional versatility and performance. Presented in a very high specification, this particular example is powered by the sought-after white Mercury 250HP outboard, delivering impressive performance, smooth handling, and effortless cruising capability.

Designed for both socialising and adventure, the Cross Top layout offers the perfect balance between open-air boating and practical weather protection. The spacious cockpit, clever walkaround design, and premium helm arrangement create a boat that feels equally at home on fast coastal runs, relaxed harbour cruising, or watersports days with family and friends.

This Axopar also benefits from a premium JL Audio upgrade, providing exceptional sound quality throughout the boat and further enhancing the onboard experience. Combined with its high-specification finish and modern features, this example stands out from the crowd and offers an exciting turnkey package ready for the season ahead.

She has some amazing features onboard including:

- White Mercury 250hp outboard on low hours
- JL Audio upgrade
- Mercury Vessel View
- AIS
- Additional rear swim ladder

She is ready immediately, please contact the team at Blue Lagoon Marine for further information
