Description

2010 Redbay Boats Stormforce 8.4

Blue Lagoon Marine are excited to bring this incredible Redbay Stormforce 8.4 to the market.

Built with Redbay's renowned offshore pedigree, this exceptional Redbay Stormforce 8.4 is a rare opportunity to own one of the finest-handling RIBs on the water. Designed to inspire confidence in all conditions, the Stormforce combines outstanding seakeeping with a dry, comfortable ride, making it equally at home on coastal adventures, island hopping or fast offshore passages. The 8.4m hull is one of Redbay's most respected designs, originally developed from RNLI-inspired principles for uncompromising capability.

What truly sets this example apart is its impressive condition. Meticulously maintained and beautifully presented throughout, the boat has clearly been cared for to an exceptional standard.

Combining legendary Redbay craftsmanship with exceptional presentation and the proven performance of the Suzuki DF300, this Stormforce 8.4 is a standout example of one of the UK's most capable offshore RIBs.

She has some great features onboard including:

- Flexi teak style flooring
- Raymarine GPS/Plotter
- Simrad VHF
- AIS

She is ready immediately, please contact the team at Blue Lagoon Marine for further information
